

## What If? - Which One? Circle the right one!

HEY Friends! It's me, Ellie!  
See what you know about  
me and Xander!

1. Xander felt sick in
  - a) his tummy.
  - b) his head.
  - c) his head and his tummy.
2. Xander believed Alex ran away because
  - a) Xander was not at home so he went to look for him.
  - b) he was mad at Xander for squirting him with orange juice.
  - c) he could not find his way home from school.
3. The humongous problem I called Xander to come for was
  - a) I got my hand glued to my bear.
  - b) I could not find the glue to fix the eye on my bear.
  - c) me and Daddy needed a third person to play our game.
4. Billy could not come to play with Xander on Saturday because
  - a) he did not like Xander anymore.
  - b) he was mad because Xander gave Danielle a cookie instead of him.
  - c) His grandparents were visiting, so he had to go visit some animals.
5. Xander felt all better when he
  - a) chased out all the bad "what ifs" from his head.
  - b) found out he wasn't in trouble for stuffing crayons in the sharpener.
  - c) found out he did horrible in his spelling test.

6. Xander's teacher told him
- a) that he had to walk home in the dark.
  - b) not to let his bad thoughts grow.
  - c) that he could not come back to school until he knew his words.
7. Xander gave me his bear because
- a) Xander was too big for it.
  - b) he didn't want it anymore.
  - c) he felt bad for eating my piece of cake.
8. Xander found his robot
- a) under his duck shirt.
  - b) in the box with the bear.
  - c) under his bed.
9. Xander did not do well on his spelling test because
- a) he slept in and did not have time to study.
  - b) his teacher was mean and gave him too many words.
  - c) he played games with Alex instead of studying.
10. Xander thought our brother broke his robot because
- a) he was playing too rough with it.
  - b) Xander had broken the door on his toy car.
  - c) he was mean.

OOPS!

Did any of you notice that I said **animals** wrong? Ha ha! I said **aminals**! That is so funny!
